Title : Communicative English Speaking Training Program

Goal :

- To increase vocabulary
- To learn speaking in English.
- To use English as medium for communication.
- To make student competitive for facing interview.

Context :

English is now become a language of world. English is now indispensable for the career growth. In most part of the world English is used as a language for communication. Our college is situated in rural part of Nagpur. All the students prefer their mother tongue as a language for communication. Students face major problem in understanding and speaking in English. Hence they lose their confidence when it comes to English speaking. This situation has great impact when they appear for job interview. Thus they could not grab many job opportunities even though they are good enough in subject knowledge. Keeping in view of this foresight, communicative English speaking training program was organized.

The Practice :

The trainer and faculty from Titans Learning Group, Bairamji Town, Nagpur conducted this workshop. Mr. Sameer Sir, Senior Faculty and Trainer, Nita Tiwari, Senior Executive Manager and Touseeb Sheikh, Executive of Titan Learning Group participated in the activity.
