Policy Document for E-Governance in the Institution

Aim:

Achieving efficiency, transparency and accountability via. implementing E-governance in different areas of operation of the Institution.

Objectives:

1. Implementation of E-governance in various areas of operation of the Institution.
2. Achieving efficiency in the operation by availing easy access to information.
3. Promoting transparency and accountability.
4. Reducing the use of paper in the administration of the institution.

Policy:

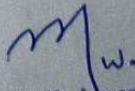

1. In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement E-Governance in various areas of operation of the Institution.
2. The institution has already started with E-Governance in some of the areas of operations like library, accounts, etc. but, future implementation of E-Governance in other areas we have drafted this policy framework.

E-governance in following areas: For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative and the governing body reserves the right to implement E-Governance even in the areas not enlisted herewith.

1. **Administration:** MIS software for the governance of students' related activities such as details of programs / courses run by the institution, Admission Registered Report and Transfer Certificate is used in day-to-day operations. It is also being in use for the admission process, Scholarship process, Searching of Students Records, Software backup etc. data generated in MIS software is used for exam related work.
2. **Finance and Accounts:** In this MIS Software, Fees Collection Reports are generated. It includes Daily Collection and it's summery, Student Fees Paid Report, Student fees pending report, Fees refund details etc. Tally 9.0 is used in accounts office for maintaining daily accounts.
3. **Student Admission and Support:** In this MIS Software, Admission Record and Report are generated. This includes Student Personal Details, Admission Registers, Subject-wise MIS etc.
4. **Examination:** As per the directions of the University, it is mandatory to handle examination in online manner. Filling of examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving of examination papers, uploading of marks, etc. everything has to be done in online manner.

Report of E-Governance in the Institution
Session 2020-21

As per the E-governance policy, the Institution has carried out various works in different areas of operation in the Session 2020-21 as follows:

1. **Administration:** In the Session 2020-2021, the institute carried out student administration through MIS software. The MIS software is a tailor-made software designed for the institution. In the beginning of the session, the preparatory data such as details of programs running by the institution have been fed to the database of the software. The details of fees structure of all courses have been fed to the data of the software. The leaving/ Transfer Certificates for those students who are learning in the institution have been generated through this software. The reports regarding fees collections and balanced fees are also generated through this software. It has been also used for the admission process, Scholarship process, Searching of Students Records, Software backup etc. Data generated in MIS software is used for exam related work.
2. **Finance and Accounts:** In the session 2020-2021, fees collection reports are generated through MIS software available in the institution. It includes daily collection and it's summery, Student Fees Paid Report, Student fees pending report, fees refund details etc. The account office of the institute uses universal accounting software TALLY 9.0 for all day-to-day maintenance of accounts.
3. **Student Admission and Support:** Admission records and reports are generated through tailored made MIS software. This includes Student Personal Details, Admission Registers, Subject-wise MIS etc.
4. **Examination:** Due to the pandemic period of Covid-19, the affiliating university, RTM, Nagpur University, Nagpur has made available online college portal and student portal and made the institutions mandatarly to process all the examinations related activities through this portal. As per the requirement in the session 2020-2021 directions of the university, it is mandatory to handle examination in online manner, filling of examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving of examination papers, uploading of marks, etc. everything has carried out online through online college portal of the university examinations online through student portals made available by university.
