

## Faculty Profile

Name	<b>CHANDRAKANT SHRIRAM BHASKAR</b>
Qualification	<b>M.Sc., Ph. D. (Organic Chemistry)</b>
Designation	<b>Professor</b>
Department	<b>Chemistry</b>
Contact Number	<b>09421893784</b>
E-mail	<a href="mailto:bchandrakant@taywadecollege.edu.in">bchandrakant@taywadecollege.edu.in</a>
Specialization	<b>Organic Chemistry</b>
Area of research	<b>Organic Synthesis (Heterocyclic Compounds)</b>
Title of thesis	<b>SYNTHESIS AND STUDY OF NITROGEN AND SULPHUR CONTAINING 5 &amp; 6 MEMBER HETEROCYCLIC COMPOUNDS</b>

### Teaching Experience:

- Working in, Department of Chemistry, Taywade College, Mahadula- Koradi from 2003 - till date.

### Industrial Experience:

- Worked as a Quality Control and Laboratory Supervisor from 01/04/97 to 18/01/2000, J. K. Ansell Ltd., Group of Raymond industries.
- Involved in national and international testing of the product.

### Publications:

- Paper Published in International Journals: **23**

### Conferences:

Poster/Paper presentation in conferences

- International Conference: **08**
- National Conference: **18**

### Academic Recognition:

- Recognized Supervisor for Ph. D., R. T. M. N University, Nagpur.
- Registered Ph. D. Students – **02**
- Major Research Project (UGC)– **Completed**
- Minor Research Project (UGC) – **Completed**
- Books Published – **03**

### Special Achievements:

- Convener** for State Level Work Shop on “**Micro Scale Techniques in Chemistry**”
- UGC Sponsored Major Research Project
- Organizing Secretary** - National Seminar on “**Diversity of Environmental Allergens & its Threat to Human Health**”
- Convener** - National Level Webinar on “**Writing & Evaluation of Scientific Research Articles**”

### Resource Person:

- Resource Person** for Workshop “**Micro -Scale Techniques in Chemistry**” in G. H. Raison College, Nagpur.
- Workshop “**Impart methodical skills to students of standard XII to persist on Global front of Educational Competition**” organized by Saraswat Public School & JR. College of Science, Saoner.
- National Workshop on “**Micro-scale Techniques in Chemistry**” Organized by D. B. Science College, Gondia.

### Referee:

- Indian Chemical Society
- South African Journal of Chemistry

### Ph. D. Examiner:

- Dr. B. A. M. University, Aurangabad
- S. G. B. University, Amravati
