Date of the Activity	06/01/2023
Organized By	RTMNU, Nagpur & Indian Science Congress
Organising unit/ agency	RTMNU, Nagpur
Number of Students	
Brief Report	<p>108th Indian Science Congress was organized from 03/01/2023 to 07/01/2023 at Nagpur. Our students visited on date 06/01/2023. Students visited Science Expo.</p> <p>Aim: Visit to 108-Indian Science Congress (Exhibition)</p> <p>Objectives: A science exhibition is a wonderful tool that engages students in learning new facts. It develops in them the curiosity to learn more. It provides a platform for the students to use their scientific knowledge and bring the best invention from their brains. It also allows students to work together in groups and learn from each other.</p> <p>Outcomes: They share their ideas and collectively galvanize those ideas to bring something innovative into implementation. This further allows the students to develop their social and moral skills and make them a better team player. We believe that science exhibitions help to explore the creative talent of the students and push them to think outside the box. Students enjoy learning through such exhibitions as they put effort and make models with their own hands. When they give presentations in exhibitions, they become more familiar with public speaking, and this removes their stage fright and imparts self-confidence in them. It also encourages them to ask more questions to address their curiosities.</p>

Brief Report	<p>Aim: Participation of students in science exhibition.</p> <p>Objectives: A science exhibition is a wonderful tool that engages students in learning new facts. It develops in them the curiosity to learn more. It provides a platform for the students to use their scientific knowledge and bring the best invention from their brains.</p> <p>Outcomes: They share their ideas and collectively galvanize those ideas to bring something innovative into implementation. This further allows the students to develop their social and moral skills and make them a better team player.</p>

Participation Certificates of the Students
