

# **TAYWADE COLLEGE**

**Mahadula-Koradi, Dist. Nagpur**

**2015-16**

## **Distinctiveness**

Being situated in rural part, college is committed to provide quality education to the students belonging to backward class. College sincerely strives for the upliftment of students by providing the best facilities and environment in line with its vision and mission. The aim of college is to inculcate self discipline, moral values and social responsibilities amongst the students so as to make them sensible citizen. College has all the basic courses in the faculty of arts, commerce and science at undergraduate level and also post graduation courses in English, Marathi, Sociology, Economics, Commerce, Microbiology, Chemistry and Mathematics. College is also recognized as a place for higher learning and research leading to Ph.D. degree in English, Marathi, Commerce, Microbiology and Chemistry. College has complete academic infrastructure providing quality education to students of rural area from UG to Doctorate degree.

College is committed for overall development of students providing conducive atmosphere for their growth as a sensible human being. College has ample space for outdoor and indoor activities. Facilities like equipments and space are made available to the students for outdoor sports like cricket, volleyball, Kho-kho, Kabaddi, athletics and tug-of-war and for indoor games like badminton, table tennis and weight lifting. Badmitton Indoor stadium comprising of 5000 sq.ft wooden carpet flooring with four badmitton courts. College has canteen providing snacks and drinks at affordable price.

The concept of Green campus is practiced and campus is lustrous green with good number of trees. College has adapted environmental friendly practices and education.

Various societal activities are carried out by college NSS unit and extension activity committee. Students provide their services to the society. College strive hard to help students in their placement and arrange programs related to career guidance, skill development etc. Majority of the students are from rural background and are devoid of

knowledge of English. College take special effort to improve their English grammar and English communication.

As we are running PG and Ph.D. courses, the laboratories are equipped with advance equipments which provide opportunity to UG students to learn and handle advanced equipments. College continuously promote research and organize conferences/ seminar/workshops for students and teachers. On various research topics.

College has well qualified experienced teaching staff with 90% of teachers having Ph.D. degree.
