## Part B

### **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

• The principle aim of our institute is provide good academic environment as well as infrastructural facility for the students belonging to rural area and to spread the message of education in the rural area. Programmes are planned to the vision of college and supplement university's curriculum to improve the educational standard of the students of rural area. • The college is affiliated to RTM, Nagpur University, so every academic year college prepares the academic calendar as per university's academic calendar which consists of curricular and co-curricular activities for the effective implementation of curriculum. Every teacher prepares own teaching plan and implement it according to syllabus and time table. Every teacher maintains academic work book to record day to day teaching schedule, research, extension and academic activities. • It is mandatory to adhere to university syllabus and examination pattern. The departmental head monitor the completion of syllabus from time to time. In addition, Principal also interacts regularly with faculty In-charge for effective planning and implementation. • Every department constitutes study circle comprising of student representatives which provides academic platform

to students. These study circles organizes various academic activities like Guest lectures, seminars, study tours, workshops, exhibitions, quiz competition etc. for enrichment of curriculum contents. • To make teaching more meaningful charts, posters, diagrams, graphs, photographs and modern teaching equipment's like LCD projectors are used. Teachers use Audio-Visual classroom to make learning more interesting. Well-equipped laboratory as well as library enriched with number of journals, magazines and other periodicals are used by students as well as teaching staff. • Though there is no scope to modify the curriculum at college level, efforts are made by the faculty members who are esteemed members of Board of studies in the University to update curriculum as per modern trends in various subjects, to explicitly reflect the experiences of the students and cater to need of the dynamic employment market. The lecture method is supplemented with innovative teaching methods like class room seminars, paper presentation, quiz, discussion, field visits etc. • Activities like guest lectures, essay writing competition, quiz and debate are organized regularly. These activities are proved very useful for development of skill among the students. Teachers are motivated to attend seminars, conferences and workshops to update their knowledge. • The teachers follow continuous evaluation methods by conducting surprise tests, unit tests, home assignments etc. The college has structured feedback mechanism whereby, the performance of each teacher is analyzed by Principal.

#### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>1. Introduction : In view of quality enhancement and maintaining the standard of higher education at our College, the Academic Council of the college has constituted formal feedback committee. The feedback about infrastructural facilities and teaching quality of faculties has been collected by committee from the students at the end of semester/ session in the form of questionnaire. Various components of teaching have been included in the feedback form as also about the other facilities like library, administrative office, physical education, classrooms and different amenities provided to the students. 2. Methodology : The well-structured feedback questionnaire about infrastructural facilities and teaching quality of faculty has been distributed to students pursuing different programmes through their respective Class-in-charge. A random sample comprising of 200-250 students is taken from each stream i.e. Arts, Commerce and Science. Every individual teacher's performance has been obtained from students through the said feedback format on 00-10 point scale namely Excellent (9-10), Very Good (7-8), Good (5-6), Average (3-4) and poor (0-2). The feedback of the various facilities provided to the students is obtained through format in the form of Yes and No. 3. Analysis of Data and Result The feedback committee analysed the feedback obtained from the students by using statistical and graphical methods. Every individual teacher has been graded based on average score obtained which is given by concern students on 00-10 point scale as Excellent(90-100), Very good(70-80), Good (50-60), not satisfactory(30-40) and Poor (00-20). The output on overall performance of teachers as per student feedback was found to be of very good to excellent quality. Analysis of infrastructural facilities also done by committee and its pictorial graphs are submitted to the Principal. Students gave some adequate suggestions. The output on overall infrastructural facilities as per student feedback was found to be of good quality.</p>

As the internal evaluation system for various courses and programmes is being done under the guidelines prescribed by the affiliating university, it is not possible to undertake massive reforms in the CIE system. Apart from the sessional examinations, some departments also adopt certain internal evaluation procedures like student seminars, unit test, home assignments, etc. It is ensured that the sessional examinations, are carried on smoothly and in a hassle free manner. A examination committee is appointed by the Principal, which is responsible for preparing a subject wise examination schedule for the various academic departments. The college normally holds the examinations as per this prescribed schedule, but sometimes makes slight adjustments under unwarranted circumstances and as per convenience of the students. The faculty members of the individual departments after completing the tasks of question paper setting send the hard and soft copies to the examination committee which takes the task of finalizing it in the printed in required quantity. The committee also undertakes the responsibility of sending blank answer script booklets in the required quantities to well ahead of the examination schedule. The invigilation duties on the examination dates are given by the faculty members. The answer scripts are evaluated at the departmental level and the marks sheet submitted to examination committee. And the examination committee finally submitted all result to the Principal.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

An academic calendar is prepared by the institution under the active supervision of the IQAC. This is prepared after publication of the affiliating university's (RTMNU, Nagpur) academic calendar cum holiday list. The calendar is uploaded in the institutional website. The practice of printing hard copies This calendar incorporates various important events and activities planned during the academic year viz. tentative schedule of the various examinations, field visits, different in-house activities/events like celebration of college Unmesh, college general freshmen social and departmental freshmen social functions, student union elections, etc., in addition to the list of various important holidays during the year. However, different miscellaneous events/celebrations, mostly events that are conducted/ held at short notices or within short preparation schedules are excluded from the purview of this

academic calendar. Sessional examinations are conducted as per schedule as outlined in the academic calendars. This is not applicable in the context of RTMNU examinations, as these examination schedules are decided by the university authorities.

### **6.1 – Institutional Vision and Leadership**

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Governance of the institution is reflective of an effective leadership in tune with the vision and mission of the institution. Vision: Commitment to quality education for upliftment of students from backward class in rural area and to inculcate amongst them, a sense of self discipline, moral values and social responsibilities with national integrity so as to make them responsible citizen. Mission: To provide excellent teaching and learning environment with good infrastructure and to promote extracurricular and sports talent amongst students for their overall development. The institution follows a three-fold system with academic, co-curricular and extra-curricular programmes. The organizational structure of the institute to co-ordinate the academic and administrative planning and its implementation reflects the institution's efforts in achieving its vision. Decentralization is the way towards good governance in every institute for effective implementation of vision and mission of management. College management strongly believe in participative management and decentralization of decision making to percolate its vision down to stakeholders. College has constituted College Development Committee (CDC) as per Maharashtra Government University Act comprising of representation from management, teaching, non-teaching and alumni. During its meeting members of CDC give suggestions and prepare policy along with management which are communicated to all the staff members in college council meeting through IQAC. The various functions of College are decentralized and responsibilities are handed over to staff members. College constitutes working committees for day to day governance of the college. The booklet is prepared comprising of constitution of various committees, their functions and guidelines. The constitution of working committees comprises of convener and 4-6 members depending upon quantum of work under that committee. Committees are categorized under various criteria as per its association with particular criteria. Convener of every committee call upon meeting with the members and IQAC coordinator. The minutes of the meeting are prepared underlining the various activities to be conducted in the session. The convener then plans for the activity and after discussion with IQAC coordinator execute and conduct activity. The convener and members are self-reliant in taking decision and execution of plans. The functions of various committees are clearly defined in the booklet of working committee to maintain transparency in the implementation. For the students' participation at every departmental level, Head of the department forms study circle comprising of student members.

Students are encouraged to participate in planning various activities to be carried out in the department. The entire process of governance is decentralized and participative.

## 7.2 – Best Practices

### 7.2.1 – Describe at least two institutional best practices

Best Practices - 1 Title : Exercise of Brain and Mental Ability Goal : • To make students mentally strong. • To understand the power of brain. • To enhance analytical skill. Context : Majority of our students are rural background. Students are not aware of their mental ability. It is necessary to use brain ability for optimum performance. Mental toughness is important for raising ourself in today's competitive world. Performance of brain can be increased by simple brain exercise. Such exercises help us to understand our own mental ability. The program on exercise of brain to keep mind sound and memory strong was organized in association with Spandom Career Institute, Nagpur. on 31/08/2017. Practice : Spandom Career Institute, Nagpur conducted this program. Mr. Jayant Gedam, Chief Trainer, Mr. Pavan Yadav, Assistant Trainer conducted

successful trainings on mind memory. They carried out various experiments involving students. Students were learnt how our brain follow orders and reflect with action. The students were involved in discussion with the guest by two way communication. The trainer demonstrated how our brain work and stimulate to the surrounding environment. At last they gave a success mantra to the students, "I can, I will, I must".

Best Practice - 2 Title : Communicative English Speaking Training Program Goal : • To increase vocabulary • To learn speaking in English. • To use English as medium for communication. • To make student competitive for facing interview. Context : English is now become a language of world. English is now indispensable for the career growth. In most part of the world English is used as a language for communication. Our college is situated in rural part of Nagpur. All the students prefer their mother tongue as a language for communication. Students face major problem in understanding and speaking in English. Hence they loose their confidence when it comes to English speaking. This situation has great impact when they appear for job interview. Thus they could not grab many job opportunities even though they are good enough in subject knowledge. Keeping in new of this foresight, communicative English speaking training program was organized. The Practice : The trainer and faculty from Titans Learning Group, Bairamji Town, Nagpur conducted this workshop. Mr. Sameer Sir, Senior Faculty and Trainer, Nita Tiwari, Senior Executive Manger and Toushib Sheikh, Executive of Titan Learning Group participated in the activity. Students participation was more during the workshop. Students were guided through some modules to increase vocabulary. Through prticipative learning students were learned how to use English in communication.
